

# TEACHING DIP.ABRSM PIANO STUDY GROUP 2021

Mentored by The Music Studios Founder and  
Pedagogy Consultant Dr. Khoo Hui Ling

## DEMONSTRATION AND INTERPRETATION

**design performance  
interpretations  
independently**

Regular performance  
masterclasses will model healthy  
teaching of technique, musicianship and  
interpretation.

## VIVA VOCE

**gain knowledge and  
eloquence in various areas  
of piano pedagogy**

Preparation for the Viva Voce segment of  
the exam includes ten discussions covering  
the following categories: technique, best  
practices in teaching strategies, teaching  
materials and repertoire, a contextual  
background of piano pedagogy and  
professional values.

## QUICK STUDY

**learn to efficiently  
deconstruct a piece and  
construct a convincing  
interpretation**

Through cumulative exposure every  
session, teachers will be guided towards  
acquiring skills for quick and concise  
analysis in order to perform quick study  
exercises convincingly.

## WRITTEN SUBMISSION

**write a compelling paper  
with flair**

Teachers will be guided in selecting  
relevant topics, forming sound  
hypotheses, writing a literature review  
and constructing an essay with proper  
citations.
